TO UNITED STATES ATTORNEY KAREN P. HEWITT, ASSISTANT UNITED STATES ATTORNEY MARK CONOVER; TO ATTORNEY FOR DEFENDANT, SERGIO GUZMAN-SOSA, ERICK GUZMAN, ATTORNEY FOR DEFENDANT, KATRINA CUELLAR, GARY EDWARDS:

NOTICE IS HEREBY GIVEN that on June 17, 2008 at 1:30 p.m., or as soon thereafter as the matter may be heard, in the courtroom of Honorable Judge Anthony J. Battaglia of this court, located at 940 Front Street, San Diego, California, 92101, Material Witnesses, Pedro Jimenez-Vasquez and Marco Aguilar-Paez by and through their attorney of record, Robert E. Schroth, Jr., will move the court for an order authorizing the videotaped depositions of both

The motion will be made on the ground that there is good cause for the order requested in that the material witnesses know of no sureties in this country who will bond them out of U.S. Marshall's custody, where they are being held at the GEO detention facility located in Otay Mesa, California during the pendency of this matter. Neither the interests of justice nor the convenience of the parties and witness will be served by requiring the material witnesses to remain in the GEO until the matter is concluded.

TO UNITED STATES ATTORNEY KAREN P. HEWITT, ASSISTANT UNITED STATES ATTORNEY MARK CONOVER; TO ATTORNEY FOR DEFENDANT, SERGIO GUZMAN-SOSA, ERIC GUZMAN, ATTORNEY FOR DEFENDANT, KATRINA CUELLAR, GARY EDWARDS:

Material Witnesses, Pedro Jimenez-Vasquez and Marco Aguilar-Paez, (hereafter “Material Witnesses”) by and through their counsel, Robert E. Schroth Jr., submit the following Memorandum of Points and Authorities in support of their motion to take the videotaped depositions.

1 **I.**
2
3**INTRODUCTION**

4 On or about May 15, 2008, the Material Witnesses were detained by U.S. Border Patrol
 5 Agents in connection with the arrest of the above captioned Defendant. The defendant has been
 6 charged with illegally bringing in undocumented aliens in violation of 8 U.S.C. §
 7 1324(a)(1)(A)(ii) and the Material Witnesses, who were with the defendant at the time of his
 8 arrest, have been detained as Material Witnesses under 8 U.S.C. § 1227 (d).

9
 10 The Material Witnesses are currently being held at the GEO detention facility in Otay
 11 Mesa, California. On May 28, 2008, the attorney for the material witnesses was informed by
 12 the material witnesses that they knew of no one in this country that could post a bond for them
 13 to allow for their release from custody during the pendency of this case.
 14

15 It is unnecessary to keep the Material Witnesses in the United States because their
 16 testimony can be preserved through the use of a videotaped deposition.¹ The Material
 17 Witnesses therefore request a court order that their testimony be preserved through the use of
 18 videotape depositions and, thereafter, that they be allowed to return to their families in Mexico.
 19

20 **II.**
21**THE TESTIMONY OF THE MATERIAL WITNESS CAN BE SECURED BY
 VIDEOTAPE DEPOSITION AND THERE IS NO COMPELLING REASON TO KEEP
 THEM IN CUSTODY**

22
 23 Title 18, section 3144 of the United States Code Provides:

24 No Material Witness may be detained . . . if the testimony of such witness can
 25 adequately be secured by deposition, and if further detention is not necessary to prevent
 a failure of justice.

26
 27 ¹ While a witness may be detained for a reasonable period of time, the court must vigilantly guard an
 undocumented alien's "overriding liberty interest" and schedule a videotape deposition at the earliest possible time.
 28 See, Aguilar-Ayala v. Ruiz 973 F. 2d 411, 419 (5th Cir. 1992).

1
2 The deposition of the Material Witness may be used at trial in criminal cases, so it is
3 only in *exceptional circumstances*, where the interests of justice will be denied, that a videotape
4 deposition is not appropriate. See, Torres-Ruiz v. United States 120 F.3d 933 (9th Cir. 1997)
5 [citing Aguilar Ayala v. Ruiz 973 F.2d 411, 413 (5th Cir. 1992) see also 8 U.S.C. § 1324 (d),
6 Federal Rules of Evidence 804, and Federal Rules of Criminal Procedure 15. Defendants may
7 be present at the videotape deposition and therefore have a full and fair opportunity to cross-
8 examine the witnesses. The videotape provides sufficient indicia of reliability to afford the trier
9 of fact a satisfactory basis for evaluating the truth of a statement. Dutton v. Evans, 400 U.S. 74,
10 89 (1970).
11
12

13 The government or defendant can effectuate the detention of the material witness upon a
14 showing that (1) the material witness will, in all likelihood, be unavailable to testify for trial,
15 and (2) that the use of deposition testimony will deny the defendant a fair trial and that live
16 testimony would somehow be significantly different. See, Aguilar-Ayala v. Ruiz 973 F.2d at
17 413 (5th Cir. 1992), United States v. Humberto Rivera 859 F.2d 1204, 1208 (4th Cir. 1988).
18 That would be a difficult burden in this case, however, because the Material Witnesses have
19 indicated that they are willing to return for trial if the government makes arrangements for their
20 legal re-entry into the country and provides travel expenses.² (Schroth Decl. At para. 6).
21
22

23 The Material Witnesses should not be detained because their testimony can be
24 adequately secured by depositions. This is a very routine alien smuggling case. Based on
25 interviews with the Material Witnesses and the report submitted by the arresting agency, the
26

27 ² The government would undoubtedly take reasonable steps in this case, as it has in other similar cases, to secure the witness's testimony at trial
28 by personally subpoenaing the witness, providing travel costs, and arranging for legal re-entry of the alien. (See, United States v. Eufacio-Torres 890 F.2d 266, 270 (10th Cir. 1989) cert. Denied 494 U.S. 1008 (1990) [government need not guarantee the witness will be available, only
that they use food-faith efforts to secure their presence at trial]; see also, Ohio v. Roberts, 448 U.S. 56, 65 (1980) [so long as the government
uses reasonable measures to secure a witness at trial, a deposition is admissible over a defendant's Confrontation Clause and hearsay
objections].

1 facts to which the Material Witnesses are competent to testify are straightforward. (Schroth
2 Decl. At para. 5).

3 Moreover, neither the Material Witnesses nor their counsel have been informed that the
4 witnesses' detention is necessary to prevent a failure of justice. (Schroth Decl. At para. 4).
5 Quite to the contrary, the witnesses have already spent a considerable time in jail, more than one
6 month to the date this motion is to be heard, and it is very important that they be released as
7 soon as possible so that they may be reunited with their families in Mexico who depend on them
8 for their support. (Schroth Decl. At para. 2 and 4.). Pedro Jimenez-Vasquez and Marco
9 Aguilar-Paez have families in Mexico who are dependent upon them as their sole source of
10 financial support. Pedro Jimenez-Vasquez and Marco Aguilar-Paez made a decision to come to
11 the United States to earn money to support their families who remained behind in Mexico.
12 They have no one to financially support them while they are in custody. (Schroth Decl. At para.
13 4.).

14 For these reasons, the Material Witnesses request that the court immediately order the
15 taking of their videotaped depositions and that they thereafter be immediately returned to
16 Mexico.

20
21 III.

22 **IF THE COURT DENIES THE MATERIAL WITNESS' REQUEST TO TAKE THEIR
23 VIDEOTAPE DEPOSITION, THEY REQUEST THAT THE GOVERNMENT
24 PROVIDE THEM WITH A STATEMENT OF REASONS WHY THEY SHOULD HAVE
TO REMAIN IN CUSTODY**

25 Where a witness has been held in custody for more than 10 days, the government has an
26 obligation to prepare a biweekly report stating the reasons why such a witness should not be
27 released with or without the taking of a deposition. Fed. Rules Crim. Proc., Rule 46 (g).
28

The Material Witnesses are not aware of any reasons why they should remain in custody, but to the extent the government knows of any such reason, they hereby request that the government provide them with a copy of a biweekly written report indicating these reasons.

IV.

CONCLUSION

For the forgoing reasons, the Material Witnesses respectfully request that this motion for the taking of videotaped depositions be granted. In the alternative, the Witnesses request that they immediately be provided with a statement of the reasons why they need to remain in custody.

VIDEOTAPE DEPOSITION**

I the undersigned, declare as follows:

1. My name is Robert E. Schroth Jr., and I am the attorney of record for Pedro Jimenez-Vasquez, and Marco Aguilar-Paez, the material witnesses in the above-captioned matter. I am an attorney duly licensed to practice law in the State of California and am admitted to practice before the United States District Court for the Southern District of California.

2. On May 19, 2008, I was appointed to represent the material witnesses in the above-captioned matter. As a Material Witness attorney, one of my primary responsibilities is to help arrange the release of the material witness from the custody of the U.S. Marshal and ICE as soon as practicable. To that end, I immediately conducted interviews with the Material

1 and under what conditions they could be released. I informed the Material Witnesses that the
2 most expedient way to be released is by having a personal surety post a court approved
3 appearance bond. I explained that a personal surety would have to agree to sign a \$5,000.00
4 appearance bond, post \$500.00 cash with the court, and agree to allow the Material Witnesses to
5 stay with the surety or a family member pending final disposition of the case. In the case of
6 Pedro Jimenez his bond is \$10,000. Unfortunately, the witnesses do not know anyone who lives
7 in the United States who is willing and able to post the bonds for them. After multiple phone
8 calls to their friends and family members in Mexico and the United States no one has expressed
9 a willingness or ability to post the bonds.
10

12 3. Prior to filing this motion I contacted the attorneys of record in this case and
13 requested that they stipulate to the taking of the videotaped deposition of the material witnesses,
14 however, the Federal Defenders informed me that they would not stipulate.
15

16 4. I am not aware or have not been informed of any reason in this case why the
17 Material Witnesses' testimony can not be adequately secured by deposition by either the
18 government or the defendant's attorney. To the contrary, compelling reasons exists for the
19 release of the material witnesses as continued detention will cause a hardship on the material
20 witnesses and their families. Pedro Jimenez-Vasquez and Marco Aguilar-Paez have families in
21 Mexico who are dependent upon them as a source of financial support.
22

23 5. The Material Witnesses are more than willing to discuss everything they know
24 about this case with both the defense and government investigators. The fact is, however, there
25 are only a few facts relevant to this case which the material witnesses are competent to testify:
26 i.e. (a) his citizenship, (b) who might have transported the witness, and (c) whether the witness
27

agreed to pay anyone. According to preliminary interviews, all of the facts relevant to this case in the material witnesses' knowledge took place over a very short period of time.

6. I explained the general procedure for videotape depositions to the witnesses and explained that, if they were released after the depositions, they may have to return to testify at trial if subpoenaed by the government or defendant. The witnesses indicated they are willing to return if arrangements for their legal re-entry could be made and travel expenses provided.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed in San Diego, California on June 4, 2008.

**ORDER FOR THE VIDEOTAPE
DEPOSITIONS OF THE MATERIAL
WITNESSES**

Defendants) Judge. Hon. Anthony Battaglia

Pursuant to the motion of material witnesses Pedro Jimenez-Vasquez and Marco Aguilar-Paez [the "Material Witnesses"], by and through their attorney, Robert E. Schroth Jr., by appearance of the parties and their respective counsel, and good cause appearing:

1. Unless the Material Witnesses are previously released from custody of both the U.S. Marshal and the United States Border Patrol, the Material Witnesses, Pedro Jimenez-Vasquez and Marco Aguilar-Paez shall be deposed on _____, 2008 at ___:00 a.m./p.m. The depositions will be held at the U.S. Attorney's office in San Diego, California. An employee of the U.S. Attorney's office shall serve as the videotape operator.

2. All parties shall attend the depositions. The arresting agency shall bring the Material Witnesses to the deposition and remain present during the proceeding. If the defendant(s) are in

1 custody, they shall be brought separately to the depositions and a marshal shall remain present
2 during the entire proceeding.

3 3. The United States Attorney's Office shall arrange for a court-certified interpreter to be
4 present for the Material Witnesses, if necessary. The cost of the interpreter for the Material
5 Witnesses will be borne by the United States. See 28 U.S.C. § 1827(c)(2).

6 4. If a defendant needs an interpreter independent of the Material Witnesses' interpreter (if
7 any), defense counsel will arrange for a court-certified interpreter to be present. The cost of a
8 separate interpreter shall be paid by the court.

9 5. The U.S. Attorney's Office shall arrange for a certified court reporter to be present. The
10 court reporter shall stenographically record the testimony and serve as a notary and preside at
11 the depositions in accordance with Rule 28(a), Fed. R. Civ. P. The cost of the court reporter
12 shall be borne by the U.S. Attorney's Office.

13 6. The depositions shall be videotape recorded. Prior to the conclusion of each deposition,
14 the deponent, or a party, may elect to have the deponent review the videotape record of his
15 depositions and to note any changes. Any errors or changes, and the reasons for making them,
16 shall be stated in writing and such writing shall be signed by the deponent(s).

17 7. The videotape operator shall select and supply all equipment required to videotape and
18 audiotape the depositions and shall determine all matters of staging and technique, such as
19 number and placement of cameras and microphones, lighting, camera angle, and background.
20 He/she shall determine these matters in a manner that accurately reproduces the appearance of
21 the witnesses and assures clear reproduction of each witness' testimony and the statements of
22 counsel. The witness, or any party to the action, may place upon the record any objection to the
23 videotape operator's handling of any of these matters. Such objection shall be considered by
24
25
26
27
28

1 the Court in ruling on the admissibility of the video and/or audiotape record. All such
2 objections shall be deemed waived unless made promptly after the objector knows, or has
3 reasonable grounds to know, of the basis of such objection.

4
5 8. The Material Witnesses shall be deposed in an order as determined the Assistant United
6 States Attorney conducting the depositions for the prosecution. The deposition shall be
7 recorded in a fair, impartial, objective manner. The videotape equipment shall be focused on
8 the witness; however, the videotape operator may from time to time focus upon charts,
9 photographs, exhibits or like material being shown to the witness during the deposition.
10

11 9. Before examination of the witness, the notary shall state on the video/audio record: (a)
12 his/her name and address; (b) the date, time and place of the deposition; (c) the name of the
13 witness and the caption of the action; and (d) the identity of the parties and the names of all
14 persons present in the room. The notary shall then swear the witness on the video record.
15 Further, at the beginning of the examination by each counsel, the counsel shall identify
16 himself/herself and his/her respective client on the record. If more than one videotape is used,
17 the notary shall repeat items (a), (b) and (c) at the beginning of each new tape.
18

19 10. The videotape operator shall not stop the video recorder after the deposition commences
20 until it concludes, except, however, that any party may request a cessation for a brief recess,
21 which request will be honored unless another party objects and states the basis for said objection
22 on the record. Each time the tape is stopped or started, the videotape operator shall announce
23 the time on the record. If the deposition requires the use of more than one tape, the end of each
24 tape and the beginning of the next shall be announced orally on the video record by the
25 operator.
26
27

1 11. Testimonial evidence objected to shall be recorded as if the objection had been overruled
2 and the court shall rule on the objections prior to admitting that portion of the deposition. The
3 party raising the objection(s) shall be responsible for preparing a transcript for the court to
4 consider. All objections to the evidence presented shall be deemed waived unless made during
5 the deposition.

7 12. If requested by a party, the deposition testimony, if offered other than for impeachment,
8 may be presented in non-stenographic audio/visual format, in which case no transcript need be
9 prepared in advance of trial, unless otherwise ordered by the Court. See Fed. R. Civ. P. 32(c).

11 13. Copies of all exhibits utilized during the videotaped deposition shall be marked for
12 identification during the deposition and filed along with the videotape.

13 14. At the conclusion of each deposition, the Government and defendants will advise the
14 material witness' attorney if they intend to object to the release of the material witness. If the
15 parties do not object to the witness' release, the Government and defense attorney will
16 immediately approve an order for the material witness' release from custody. The Government
17 will provide the witness with a subpoena for the trial date, a travel advance fund letter, and
18 written authorization to enter the United States to testify at trial.

20 15. If either party objects to the release of the material witness, the objecting party must
21 immediately request in writing a hearing on the issue before the District Court within four
22 business hours after the deposition is concluded. At the hearing, the objecting party must be
23 prepared to show why the release of the material witness is not appropriate under 18 U.S.C. §
24 3144. If, after the hearing, the Court decides to release the material witness, the material
25 witness attorney should file the witness release order immediately. Again, the Government
26 must serve the witness with a trial subpoena, a travel fund advance letter, and written
27
28

1 authorization to legally enter the United States to testify at trial before the material witness is
2 released.

3 16. Upon request by either party, the videotape operator shall provide a copy of the
4 videotape deposition to the requesting party at the requesting party's expense. After preparing
5 the requested copies, if any, the videotape operator shall turn the original videotape over to the
6 notary along with a certificate signed by the videotape operator attesting that the videotape is an
7 accurate and complete record of the deposition.

8 17. The notary shall file this original tape, along with any exhibits offered during the
9 deposition, with the Court in a sealed envelope marked with the caption of the case, the name of
10 the witness and the date of the deposition. To that envelope, the notary shall attach the sworn
11 statement that the videotape is accurate and complete record of the recorded deposition and
12 certification that the witness was duly sworn by the officer.

13 18. To the extent that the procedures set forth herein for the videotaping vary from those set
14 forth in Rules 28 and 30 F. R.Civ. P., these variations are found to be for good cause shown as
15 allowed by F. R. Civ. P. 29.

16 19. Unless waived by the parties, the notary must give prompt notice to all parties of the
17 filing of the videotape record of the deposition with the Court pursuant to Fed.R.Civ.P. 30(f)(3).
